## Our Environmental Commitment...

*At Pacific Steel & Recycling, we strive to be the best environmental stewards we can be in the communities we're a part of and we kindly ask that our customers help us with this commitment in the material they bring to us.*

*In this pamphlet, you'll find a general overview of our "Material Acceptance Standards" that should assist you, as our customer, in getting to know what items at this PS&R facility we don't recycle and consider as "prohibited items."*

*If you have any additional questions related to this pamphlet or the info therein, please don't hesitate to contact any one of our employee-owners as we'd be happy to assist.*

*Thank you again for choosing Pacific Steel & Recycling as your local recycler and here's to making our communities a better place..*

## Prohibited-Items

- **Radioactive Materials** (or items with a radioactive label, ie. X-ray equipment, military/airplane gauges, smoke detectors, NORM, etc.)

- **Explosive Materials/ Live Munitions** (including loaded frac-pipe and all live ammunition shells)

- **Biohazards/ Chemicals/Hazardous Wastes** (i.e. medical wastes, poisons, household cleaning supplies, etc.).

- **Ballasts, Transformers or Capacitors** (w/out "Non-PCB" label or documentation showing under 50ppm)

- **Pressurized Gas Cylinders/Sealed Containers** (must be devalved or visibly vented with adequate size hole)

- **AC Compressors/ Fridges** (w/out CFC evacuation certification or if PS&R facility does not have capacity to properly remediate)

- **Tanks/Drums** (w/out Empty Tank Certificates and proper venting/holes)

- **Fluid Containing Automobiles** (if PS&R facility does not have capacity to properly remediate)

## Prohibited-Items

- **Flammable Liquids** (i.e. separated oil/gasoline)

- **Mercury** (i.e. fluorescent lights, thermometers)

- **Asbestos** (i.e. friable or non-friable)

- **Oil filters** (unless drained via "hot method")

- **Paint Cans** (unless completely dry and less than 5 gallons)

- **Aerosol Cans** (unless punctured and drained)

- **Yard Wastes** (i.e. dirt, grass, leaves, rock, wood, carpet, garbage, concrete, pvc pipe, rubber, glass, etc.)

**The "prohibited items" listed above may not include all items related to this PS&R facility. Please inquire at your local facility for more info.**
